JAMAHL KEYES

MAGICIAN

Born in Baton Rouge, Louisiana, Jamahl, moved up to South Bend, Indiana while in the third grade and it was then and there that he was then bitten by the "magic bug."

In trying to encourage Jamahl to read more, his mother, a school teacher, would perform a magic trick at the dinner table and when Jamahl would ask, "How did you do that?" she would reply with; "I'm not going to tell you the secret but I'll give you the book that it is in." Jamahl ended up not only reading plenty of magic books, he became an excellent and confident performer for his age.

As a teenager, Jamahl won numerous awards and began appearing on television "The Kid's Adventure Zone, Magic and Math" and plenty of other specials. In his 20s, he performed in seven different countries and was also featured on TNN and The Family Channel.
